Summary of Recommendations:

- There were a few problems with the payroll figures, which having examined them we believe results in the Council being £9.50 in credit on the PAYE account, and the Clerk owing £27.63 in overpaid salary. The payroll should always be run through Basic Tools to get the correct figures before being presented for payment.
- The Council has not put in place a Data Protection Privacy Notice or undertaken an information audit. This was a requirement of the General Data Protection Regulation, to be in place by 25th May 2018. The Council should undertake this work urgently.
